

20 / 21-07-2019 - A perdita d'occhio

2 days of practices experimental landscape use 20th e 21st of July
From 11 am to 20 pm.

The works will be exhibited until September 30th

Paola Alborghetti
Francesca Conchieri
Mauro Cossu
Mme Duplok
Eckehard Fuchs
Yari Miele feat Luisa Azzerboni
Alberto Mugnaini
Domenico Pievani
Elena Von Hessen

A loft at 30 m height, with a view of the ridge and penstocks. An open living space whose entrance must be found. A former storage tank to be climbed without having to swim. Places that exist, parts of a landscape that is not what you believe, whose possibilities for exploration are endless and unlikely.

At Centro 3T, Via Scianica 6
Vasca SEB, Loc Ruc
Sellero (BS)

...only in what you do not understand is nestled the possibility of discovery

Freecamping is possible by reservation
A project by Mauro Cossu and Francesca Conchieri
Promoted by Associazione Post Industriale Ruralità
With the patronage of the Municipality of Sellero
in collaboration with Ruinas Contemporaneas

detailed program since 12 July on
